### **FOR IMMEDIATE RELEASE**

March 01, 2001.

Mr. Bruno Grandpierre Chairman and Mr. Jean-Marc Tassé President of POK are proud to announce the acquisition of a new manufacturing facility in Cambridge, Maryland.

With investments of over 5 million dollars over the next few years, POK is extremely proud that they will participate in the creation of over 50 new jobs in the near future.

The new facility, located in the quaint City of Cambridge on the Eastern Shore of Maryland, will make possible the creation of the POK New World Headquarters. Numerous acres of land accompanied by a 50,000 square foot pond used for R&D plus a permanent demonstration site will be open for POK visitors, clients and local community friends.

"This acquisition enhances the customer base of POK in North and South America and reinforces its leadership position in this very important market," said Mr. Steve Tinberg, Sales & Marketing Manager of POK.

POK has been in business for over 27 years and is one of the largest manufacturers of fire equipment in the world.

With this new location, POK will operate from 4 locations around the world. We look forward to another successful year in our new location !
