

**THE BEST FOAM EQUIPMENT IN THE  
WORLD PERIOD!**

It's a tough statement to make but we are absolutely sure. From air aspirating attachments for nozzle, portable foam units, a full range of eductors, foam nozzles and tubes, self-educting foam nozzles for monitor and much more... When it come to foam we have it all. Foam equipment is only the tip-of-the-iceberg.

At POK we manufacture a complete line of water handling hardware, 2,500 + products that suits department needs and budget.
