

Pistol Nozzle

Designed for ease of operation, comfort and safety. A unique multiplex pistol shutoff valve with an opening / closing device of 1/3, 2/3 and full flow. Available in 1.0" and 1.5"

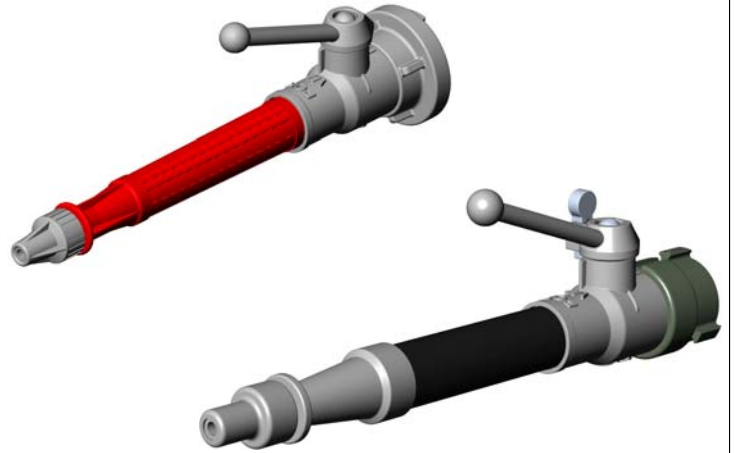

High Pressure Nozzle & Pistol Nozzle

Code	Description
12322	High pressure nozzle 1.0" or 1.5" inlet
7721	Pistol Nozzle With Tornadomatic Tip 150

Branchpipe Nozzle 240 PSI /16 bar

Code	Description
9841	Branchpipe in aluminum and plastic Storz D/25 inlet
9837	Branchpipe in aluminum and plastic Storz C/52 inlet
16087	Branchpipe in aluminum and plastic BSI 336 2.5" inlet
11952	Branchpipe in aluminum Storz C/52 inlet
16088	Branchpipe in aluminum BSI 336 2.5" inlet

Copperspray Nozzle

in Aluminum or Gunmetal with Male 2.5" British Instantaneous BS336 - 3.5" X 6.0" - 3.75 lb

Code	Description
PP20500Z004	Copperspray nozzle in gunmetal with 1/2" orifice
PP20500Z005	Copperspray nozzle in gunmetal with 5/8" orifice
PP20500Z006	Copperspray nozzle in gunmetal with 3/4" orifice
PP20502Z001	Copperspray nozzle in aluminum with 1/2" orifice
PP20502Z002	Copperspray nozzle in aluminum with 5/8" orifice

Chimney Nozzle

This nozzle has been specially designed for hidden fires in false roofs, high beams or in chimneys. 1.0" or 1.5" inlet with shutoff. Mist fog pattern of 55° with 10 GPM @ 100 PSI. 30" long.

Code	Description
2312	Chimney nozzle with shutoff 1.0" or 1.5"
