Specialty

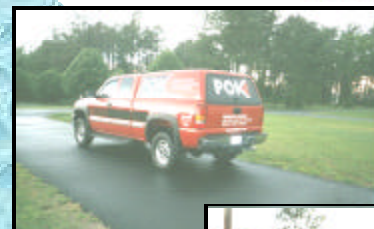

...and 2000 other water  
delivery appliances to  
choose from

Simply call your local dealer or POK directly to  
inquire about a product demonstration.

POK offers the WIDEST range of handline  
nozzles for your specific need.

Be certain to look at all the options best  
suited for you before choosing a nozzle  
and don't be misled by some  
marketing hype.
